HUMOR....

Subject: FW: Subject: Psychological profile

There is a room with a table in the middle. In the middle of the table is a round food tray with five kinds of fruit on it.

They are:

- a. Apple
- b. Banana
- c. Strawberry
- d. Peach
- e. Orange

Which fruit will you choose? Please think VERY carefully and don't rush into it. This is great, I was astounded! Your choice reveals a lot about you!

Test results: Please SCROLL DOWN

If you have chosen:

a. Apple: That means you are a person who loves to eat apples
b. Banana: That means you are a person who loves to eat bananas
c. Strawberry: That means you are a person who loves to eat strawberries
d. Peach: That means you are a person who loves to eat peaches
e. Orange: That means you are a person who loves to eat oranges

I hope you find fulfillment in this new insight about yourself. May it bring you peace and understanding, tranquility and all that other profound shit.

Also I bet that right now you would like to find me and kick my ass.

Well, You won't find me.... because

I am still out hunting down the person who sent this to me...
